

Mark Oregel

714 - 496 - 0466 - Madrid Rd. Isla Vista, CA 93117 - oregel991@gmail.com

EDUCATION

COMMUNICATIONS MAJOR, California Polytechnic University Pomona, DECEMBER 2021. GPA: 2.9

COMMUNICATIONS ASSOCIATE DEGREE FOR TRANSFER, Orange Coast College, JUNE 2022. GPA: 3.2

ENVIRONMENTAL STUDIES (B.A.), University of California Santa Barbara, JUNE 2025. GPA: 3.85

RELEVANT COURSEWORK

ENV S 165 A and B (Impact Analysis): Intro to CEQA and writing a hypothetical, focussed Environmental Impact Report

GEOG 176 A, B, and C (I.P.) (ArcGIS Pro sequence): Intro to working with ArcGIS Pro to analyze and solve real world problems, experience in working with groups on GIS projects

GEOG 190 Location Theory and Modeling (I.P.): Explored ArcGIS Pro applications involving commercial optimization, theory, and modeling related to emergency

ENV S 163 Water Supply and Demand: Working with real world water data, explaining how this influences communities and infrastructure decisions on a global scale

EXPERIENCE

INTERN, PROBOLSKY RESEARCH LLC (June 2019, 40 hours)

- Researching and synthesizing data in Google Sheets and reporting the information to my co-workers.
- Learned how to process information and how a professional work environment operates
- Learned what effective communication looks like in a team

GENERAL MERCHANDISE/BARISTA, TARGET (June 2020 - July 2021)

- Worked in guest advocate positions across the store including cashier, mobile orders, door attendant, and cleaning specialist during the COVID-19 pandemic
- Trained in DBO responsibilities and worked in every department except beauty and apparel
- Learned how to work on my feet and how to coordinate with others efficiently to push products daily
- Transferred from general merchandise to Starbucks within Target due to a lack of help, learned how to work more effectively with smaller teams, and by myself in busy situations
- Learned how to work and think on my feet by myself in high-stress situations while maintaining careful attention to detail

GARDEN OPERATOR, EDIBLE CAMPUS PROGRAM: UCSB (May 2024 - March 2025)

- Maintained and operated the Green House and Garden Project community garden located in Goleta, just outside of Isla Vista
- Performed various daily maintenance tasks such as watering and weeding
- Responsible for corresponding and working with volunteers of the UCSB community to experience and work in the garden
- Held volunteer workdays and managed groups of volunteers to achieve tasks around the garden
- Wrote weekly emails which provided updates to the garden, helpful information, and provided opportunity for engagement
